

Congregational Survey by Coming of Age Class 2009

Dear Members and Friends of UUFA:

In the Coming of Age class (for middle school students), this year we are focusing on our identity as Unitarian Universalists. As part of our study, we want to learn more about our own congregation. We have created a survey, and would like you to take a few minutes to respond to our questions. Please complete this survey (answering in the spaces provided) and return it by the end of March to Katie Sadler-Stephenson, Aleta Turner, or Steven Brown. We will report back about what we learn.

Thank you for your help with our project!
